A Note from Our Pastor ~ Future Improvements and Enhancements

Did you notice the new monstrance or, rather, a very old one (1870's) that was used during our recent **40 Hours?** It was purchased from gifts left to the parish this past year for the purpose of enhancing the beauty and reverence of the worship space. As part of this, we will be adding two candles on the altar, thus having six candles on/next to the altar moving forward. This is in keeping with the liturgical rubrics; the minimum is four, but six has generally been the traditional number used for the celebration of the Mass and for Exposition. This will make it easier, because we won't have to keep adding and then removing two candles for Exposition each Thursday. A small, stand-up crucifix will also be placed on the altar, thus making it easier for me to see during the celebration of the Mass, since my eyes are not what they used to be when I first arrived.

In addition, we are getting a set of matching candles to be placed next to the Tabernacle. They will replace the candles that are currently there, which are rather difficult to refill and keep lit; most of the time they don't last an hour. Once this occurs, all the candles will match. Again, these items were purchased with money donated for the purpose of enhancing the beauty and reverence of the worship space.

We are planning to make some additional enhancements this summer to the sanctuary and surrounding areas in the church. One enhancement is to drywall those walls in the church that have exposed concrete block. Several parishioners brought this up years ago, when we made enhancements to the worship space in 2015. The exposed concrete gives the sense that the church is still unfinished. Back in 2007, when the big renovation was done, they made sure the remodeled areas were drywalled; it is logical that all the walls in the church match, at least from a textural perspective. We are also planning to do some painting in the sanctuary and surrounding areas; I think a little color will enhance the natural beauty of the space. This is likely to include the painting/stenciling of: **God is Good, All the Time** on the wall above the Tabernacle. This has been suggested often over the years; I guess many see this as our parish motto. These things have been addressed by the worship committee for several years; we ran articles, mentioned this at the parish convocation, and even included the cost of this project in the 2018-2019 budget. My hope is that some parishioners will wish to contribute directly to this special project and that we will receive additional bequests specifically allocated for church beautification.

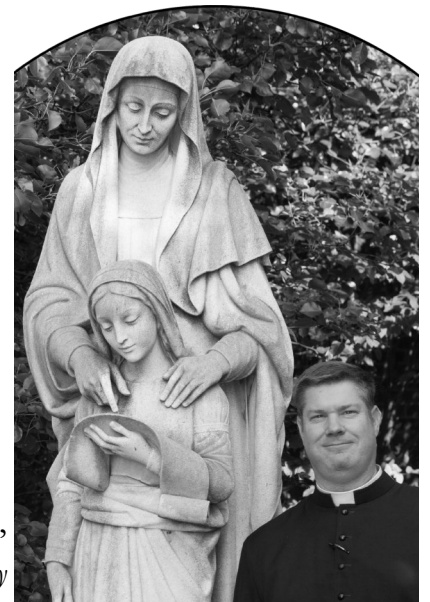

I am no "decorator," so we will be forming a subcommittee of the Worship Committee to address things like the colors that will be used and how much space should be painted. We are asking that anyone skilled in decorating/remodeling who would like to help with this endeavor to please call the parish office or attend the Worship Committee meeting on May 7 at 7:00 p.m. in the Gathering Space.

We had planned to do this last summer, but other more immediate projects came up. It is our goal to continue to enhance the beauty of the church and its grounds in order to be good stewards of the parish assets, to honor and praise God, and to provide an environment that is pleasing to the eyes and hearts of the people of God.

Regarding the parish grounds. We are planning for late April to complete the outdoor sign project, which includes a landscape wall with the name of the parish (St. Ann) as well as the school (OLG). We will have plants/flowers around the area and, hopefully, at some point a life-size statue of St. Ann. During this same time period, we will also begin work on the Legacy Garden, as well as the plaza in front of the church doors. Those bricks have been difficult to maintain, and the problems with the roots have made this a safety issue. The new plaza and garden will include the names of everyone in our Legacy Society.

We continue to strive to do our best to promote the beauty of our parish and show that we are a vibrant parish with a bright future ahead.

In Christ,
Fr. Thomas McCarthy

A very blessed and happy Easter to all!

May this Holy Season bring a renewed sense of appreciation for the love Christ has for you. The Resurrection gives us the promise of eternal life. It is this promise that provides us comfort and hope today, even amidst those daily struggles we encounter: trials, illness, or other crosses we bear. The Resurrection is our reward for our faithfulness, just as it was for Christ. Please continue to persevere and know that God is beside you to help you, not just to bear your crosses, but to some day overcome them.

May this Easter mystery remain in our hearts and minds, so that the darkness of this world will never dim the light of faith that reveals God's love for us.

Once again, have a joyful Easter Season. Know that I continue to pray for all the families of the parish, especially those who are sick, homebound, or suffering greatly. And don't forget-

*God is good...
All the time.
All the time...
God is Good!!!*

Meet Chuck and Joanne Thiemann

Chuck and Joanne Thiemann are St. Ann's newest parishioners! Both were born and raised in Louisville, Kentucky as cradle Catholics. This is a second marriage for both of them, going on 13 years.

Chuck and his family moved to Cincinnati in 1964; Joanne and her family in 1970. Between them, there are 9 children, 17 grandchildren and 6 great-grandchildren, with another one on the way. All but one of the children live in the Greater Cincinnati area.

Chuck was in banking and Joanne was a stay-at-home Mom until her children were in school. Chuck was very involved in Habitat for Humanity Intl. and Joanne was very involved in parish work and her children's school.

In the first few years of their marriage they had the good fortune of making retreats at Franciscan University in Steubenville, Ohio, which was very beneficial to their spiritual life; they remain involved with the University to this day. They are also involved with the Dominican Sisters of Mary, Mother of the Eucharist in Ann Arbor, Michigan.

For fun, they both love sports, especially thoroughbred horse racing and KENTUCKY basketball. Their quiet time is spent reading and watching movies.

You only have to meet Chuck and Joanne once to know they are very happily married. When asked their secret, they responded, "Pray together, play together, and laugh a lot!!"

The Thiemanns brought their entire family of 25 to the Chicken Dinner and are looking forward to getting to know everyone at St. Ann's. Please welcome them when you see them around the parish.

Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.

Faith, Friends, Fellowship, & Fun

Totus Tuus (a Latin phrase meaning “totally yours”) was the motto of Pope St. John Paul II. It signifies our desire to give ourselves entirely to Jesus Christ through the hands of our Blessed Mother Mary. The mission of Totus Tuus is to inspire in young people a true longing for holiness. Seminarians and college students from the Archdiocese of Cincinnati carry this mission to every young person and participant of Totus Tuus. The youth see that these young adults are joyful and on fire with the Catholic faith, which encourages them to strive for the same thing in their lives.

May Crowning

Monday, May 6

We invite everyone to join us in honoring Mary with the beloved tradition of a May Crowning. During May, a month dedicated to our Blessed Mother, we love and honor her incredible role as the Mother of God, Queen of Heaven, and our mother.

"But those who hope in Mary, who as Mother of God is able to obtain graces and eternal life for them, are truly blessed and acceptable to the heart of God. For God desires to see the greatest of his creatures honored, for she loved and honored him in this world more than all men and angels put together."

Eucharistic Exposition -- Why I Love It

Rosemary Bogdan, who writes the blog "A Catholic Mother's Thoughts," wrote on why she loves Eucharistic Exposition, all reasons with which we can identify.

"I am there every week... It's a wonderful time. If I just went when I could find the time, it wouldn't happen often, because free time in a schedule gets filled in like a vacuum. But this hour, my Adoration hour, is reserved for Jesus.

"It's delightfully quiet in the Eucharistic Chapel. Wonderfully quiet. I can say the rosary, read my Magnificat, or just silently talk to Jesus in the depth of my heart.

"I can listen. I can just be there in His Presence, knowing that He knows me better (much better!) than I know myself. If I am in pain, as we all are sometimes in life, I don't even have to say anything. I can gaze at Him and know that His healing presence is right there with me.

"I can feel His life, His wisdom, His love for me....and His love for all mankind. The room is filled with His peace....and His Presence."

We all deserve the benefits of being with God that Rosemary writes about in her article. In his homilies, Fr. McCarthy talks about God's endless love for us - His willingness to sacrifice Himself and the gifts and blessings He gives us.

The noise in our life does not always allow us to recognize or remember those gifts. And, sometimes, our personal, alone moments are not focused on God. We need to relax, let our minds wander. Yet, when we focus on God at Exposition, "I can feel His life, His wisdom, His love for me....and His love for all mankind."

In those moments, we also know He is there for us; "I can listen. I don't even have to say anything. I can gaze at Him and know that His healing presence is there with me."

These thoughts are captured in a song we regularly sing in church, "Taste and See," from Psalm 34: "I will bless the Lord at all times. Praise shall always be on my lips; my soul shall glory in the Lord for God has been so good to me. / Glorify the Lord with me. Together let us all praise God's name. I called the Lord who answered me; from all my troubles I was set free. / Worship the Lord, all you people. You'll want for nothing if you ask. Taste and see that the Lord is good; in God we need put all our trust."

Join us at Eucharistic Exposition and "Taste and See."

GENESIS TO JESUS

What is the Bible, where does it come from, and what is its purpose? How are Catholics supposed to read the Bible and what story does it tell?

These are the ever-important questions answered in *Genesis to Jesus*. Join us to learn the basic Catholic principles for reading Scripture and to survey the broad outlines of the books of the Bible and their place in the story of salvation.

Coming Thursdays this May and June

Towards the end of his life, under arrest and awaiting trial in Rome, Saint Paul writes a short but powerful letter to the Philippians. Paul's affection for the Christian community at Philippi is apparent from his opening words. The Philippians were not only Paul's sons and daughters in the Faith but also his partners in sharing the Gospel of Jesus Christ.

At the heart of this letter is Paul's eloquent hymn of Christ's total gift of self, the model for Paul's life. With his words and the example of his life, Paul exhorts the Philippians to have the mind of Christ, to live a life worthy of the Gospel and, by God's grace, to gain Christ.

Mass+...

Thanks to All Our Bakers

The St. Ann Bakers are busy every week making a bite sized treat to share during *Mass+...* Freshly brewed coffee and homemade treats are available in the Hospitality Room and in the Trinity Rooms.

We are grateful for their generous gifts.

Speakers from the Archdiocese

We were blessed to have two speakers from the Archdiocese of Cincinnati host talks during *Mass+...*

On February 10, Ryan Mahle spoke on the Importance of Being Catholic.

On March 17, Benj Klare hosted a presentation on Social Media. Additional information on the Social Media topic can be found in the Hospitality Room.

Both presentations were very informative and we are thankful to both men for their willingness to come and speak at St. Ann.

Formation and Education

Mass+... continues to offer a great opportunity to learn and rediscover aspects of our Catholic faith in a group environment. It is great to be able to come together and listen to reflections and ask questions of the presenters with other members of the parish.

Over 100 parishioners filled the Trinity Rooms as Father McCarthy held a session on The Need and Power of Confession on February 24.

On March 10, our Director of Stewardship and Development, Tim Clifford hosted a talk on the true meaning of Stewardship.

Respect Life Baby Shower

On March 31, the St. Ann Respect Life Committee hosted a baby shower during *Mass+...* in support of the Old St. Mary's Pregnancy Center.

The shower included a brief presentation on the background of the pregnancy center, followed by a couple of traditional baby shower games.

It was a wonderful testament to our parish to see so many families participating in the shower.

Our parishioners showered the center with many gifts and cash donations. The center was surprised at the amount of support and grateful for your generosity.

Father Tom Wray

After leaving his role as Temporary Administrator at St. Ann during Father McCarthy's sabbatical last year, Father Wray returned on April 7 to share his story of conversion to the Catholic faith and his journey to the Catholic priesthood.

The Trinity Rooms were full with standing room only as Father Wray explored and shared the reasons and revelations he discovered along the way. If you were unable to attend this

Generosity, Prayer, Service

THANK YOU FOR YOUR GENEROSITY!

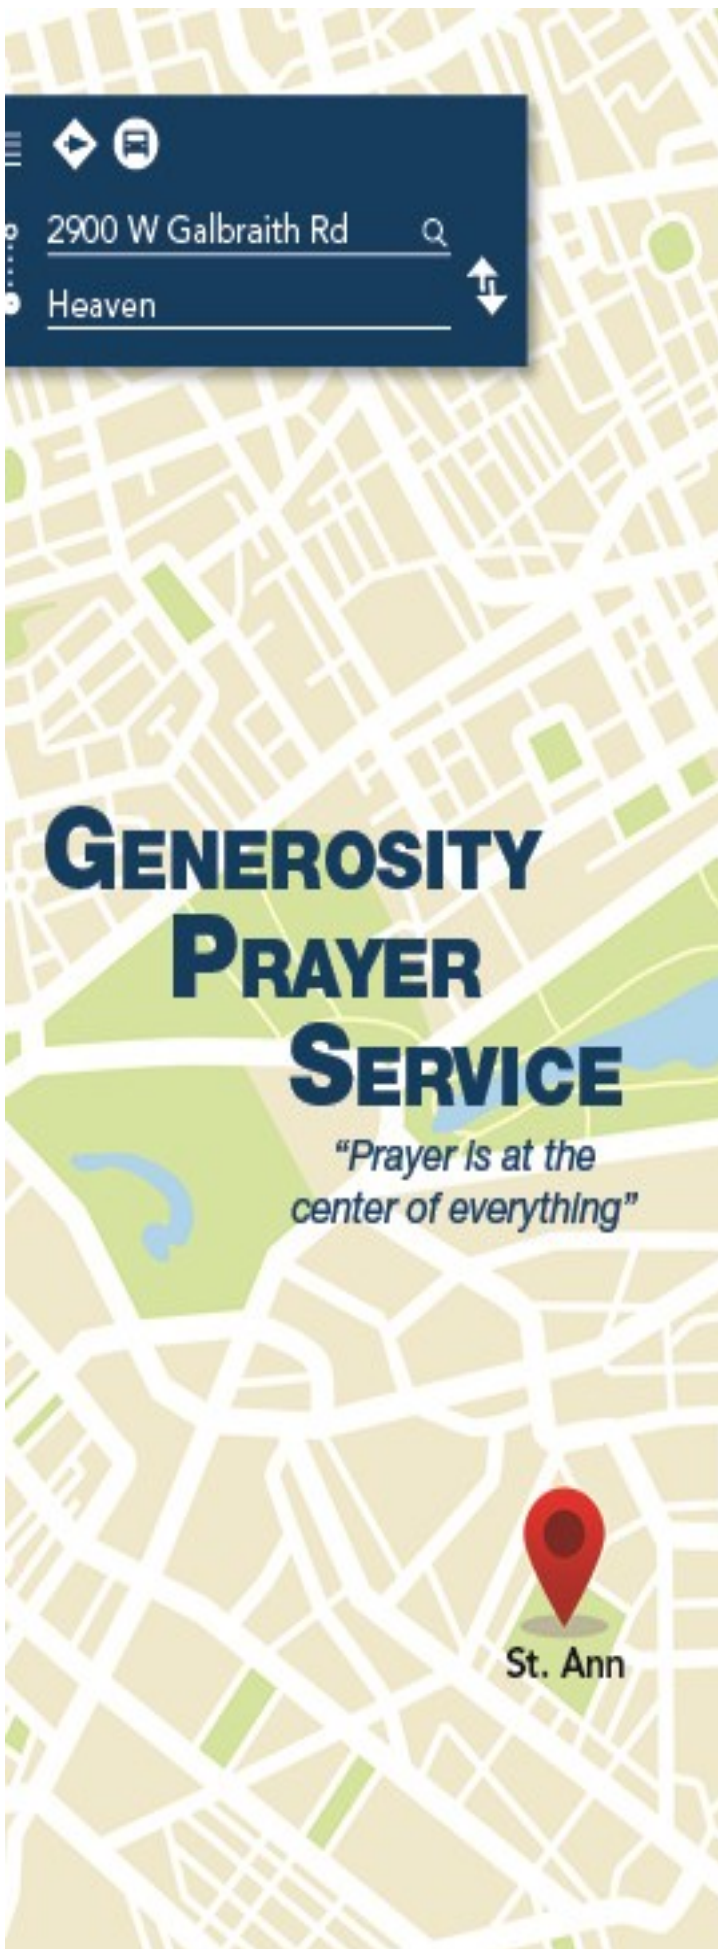

We asked you to prayerfully consider an increase to your Sunday offerings, and what a great response. You received a mailer that illustrated that 49% (actually over 50%) of you responded back! Thank you! Many people made significant increases and many people were not able to increase their offering at this time. We do understand that everyone's situation is different. Most of those responding also indicated they would pray for the success of the program and it obviously worked. That is why we added: ***"Prayer is at the Center of Everything"*** to the theme.

As we move forward in this process, we will continue to invite you and your input in establishing the direction that you want, and the direction the Spirit wants, St. Ann to go. As the theme says:

Generosity – the giving of our time, talents and treasure.

Prayer – the center of all we do. A talent we all possess.

Service – to others and the Lord as we are

What is GPS? GPS stands for Global Positioning System. Maybe we can consider it as a GOD Positioning System?!

GPS has become a theme we have all come to associate with directions and guidance. All the things that we have been doing here at St. Ann are about creating the roadways, avenues, and vehicles to invite, involve and engage people in their journey to a closer relationship with our Lord. Here at St. Ann, this formal journey began a couple years ago as we decided to go forward with an engagement process with ISPD, that started in the Fall of 2017 and conducted a Parish Convocation in the Spring of 2018. We accumulated a lot of input and developed **Mass+...** that kicked off in August of 2018 as a vehicle to make your Sunday Experience come to life. We invite everyone to take part in the many formation, social, family and learning opportunities that we now provide via **Mass+...**

GPS is the continuation of that engagement process. We will continue to invite you and your input to develop our direction and our vision, one that creates opportunities to invite and involve people in our mission.

Our mission statement is:

***“To know, love and serve the Lord in this life
and to be happy with Him forever
in the next.”***

At St. Ann, GPS is the guidance system to fulfill our mission and vision.

Many of the readings, gospels and homilies during the Advent and Christmas seasons dealt with a journey. The journey of the Jews, the journey of Mary & Joseph, the journey of the birth of our Lord, the journey of the Magi. The journey thru the Lenten season, we reflected on the journey of Christ defeating the devil in the desert, his life and ultimately to his crucifixion to save our souls. We, too, are on a journey, a journey into that deeper, personal relationship with Jesus.

Where are you in your journey? Are you at a crossroads in your faith and don't know which way to go? Are you simply looking to take your journey to the next level? That road can be quite bumpy, scary or confusing if you don't have the right guidance system in place. St. Ann is committed to providing that GPS for your personal journey. What makes St. Ann the place to be? We are committed to meet people where they are at and leading them to God. We are building those roads and avenues by providing the opportunities to grow in your faith, learn more about the genius of Catholicism and provide you opportunities to do what you do best. St. Ann is a place where you are a valued part of everything we do. A place of truth, faith and prayer.

That annoying voice from your mobile GPS says **“Recalculating.”** When you have made a wrong turn or gone off course - **“in 50 feet, turn around.”** How we hate hearing those words! Even to the point of yelling at the GPS unit. But in our life, those same words delivered by Jesus have a totally different meaning and feeling. The truth is, He died to give us a chance to recalculate, to correct that wrong turn we took somewhere along the way. His death and resurrection gave us almost unlimited chances to turn around and get back on the path toward salvation. What a sacrifice He made for us.

Jesus speaks to us in this way all the time, if we only listen. In the classroom of silence, Exposition, at work - in prayer.

“You have arrived at your destination” is that voice, that phrase, that brings comfort and peace to us. Finding that comfort and peace in developing a deep, personal relationship with Christ is our ultimate destination. That feeling when you have made a difference in someone's life through your act of kindness or service. That feeling when you have given yourself to our Lord.
